Additional Explanations

The Board of Directors discussed the dividend distribution proposal for 2021 which will be submitted to the General Assembly. Accordingly;

Within the Communiqué of Capital Markets Board (CMB) No. II–19.1 and in accordance with our articles of association and dividend distribution policies that were disclosed to public by our company, the Company recorded TL 358,880,830.86 net profit in 2021 consolidated financial statements prepared in accordance with CMB legislation.

Considering the fact that there are not any net distributable profit due to the losses from prior years, it was resolved to submit no dividend distribution to the approval of the General Assembly for 2021 fiscal year. Since the legal limit has been reached, the allocation of primary reserve is not required.

This decision will provide a robust balance sheet structure and to manage the cash flow more efficiently for the upcoming years. The Company plans to use this profit to finance its working capital and capital expenditure requirements in the future.

(In case of a discrepancy between the Turkish and the English versions of this disclosure, the Turkish version shall prevail.)
